

Maintain Core Suite of Resources

- Reviewed all eHLbc license agreements to mine enhanced permissions data
- Refined license permissions communications on eHLbc website

Grow Collection of Boutique Resources

- Achieved previously unavailable Dynamed Plus pricing for Health Authorities
- Extended Clinical Skills contract for an additional 5 years at stable 2% annual increases
- Renewed 5 boutique resources: EBSCO Discovery Service, Full Text Finder, SPORTDiscus, Ageline and JBI EBP Database
- Performed environmental scan of member feedback tools; concluded that e-Box is best tool for our members

Empower & Support eHLbc Members

- Prepared and released eHLbc Year in Review annual report; available on the eHLbc website: http://ehlbc.ca/sites/default/files/reports/EHLbc_YIR_2018.pdf
- Hosted a facilitated, in-person All Member Meeting on November 15, 2019 to discuss consortium Terms of Reference and cross-sector professional development opportunities
- Hosted a Management Committee business meeting November 15, 2019; minutes available: <https://ehlbc.ca/about/management-committee/minutes>
- Transitioned to temporary eHLbc licensing coordinator while position filled
- Updated eHLbc Strategic Action Plan and posted to the eHLbc website: <http://ehlbc.ca/about-us/about-us/strategic-plan>
- Developed and launched new eHLbc Vital Signs newsletter, available here: http://ehlbc.ca/sites/default/files/news/2019-12_eHLbc_Vital_Signs_0.pdf
- Performed environmental scan of member discussion tools used by other consortia
- Implemented and beta-tested eHLbc discussion forum to facilitate informal member discussions on eHLbc topics of interest
- Created 2 new video guides for common technical tasks; available on the eHLbc website under Members --> Training & Support
- Provided online eHLbc orientation for new eHLbc contacts at Yukon Health and Social Services, Ministry of Health, and Columbia Bible College

Developing eHLbc Affiliate Membership

- Welcomed new member Columbia Bible College, bringing total membership to 51 organisations
- Facilitated conversations on membership with the College of Occupational Therapists, BC Chiropractor's Association, the College of Podiatric Surgeons and BC AHSN
