Re: eHLbc Core Suite - Official start of the 2026-2030 Core Suite term

Good morning,

The Core Suite has officially renewed for the 2026-2030 term! We are pleased to share that 45 full and affiliate member organizations have elected to reaffirm their membership in eHLbc and support this renewal. All member organizations should have continued access to the Core Suite; if your organization does not have access, please contact the eHLbc Office for assistance.

The Core Suite team is now wrapping up work on the renewal. As mentioned in our last update, we will move forward with contacting and invoicing Affiliate members for their 2026-27 Core Suite costs this month. Invoicing of full members for Core Suite licensing costs will commence in May/June, after affiliate members have been invoiced and the Full Member Subsidy calculated. Membership costs will be invoiced separately in April. We will be inviting feedback on the Core Suite renewal process in the coming weeks. We have also posted a short news release [to the eHLbc website](#); please share the link with your wider organizations.

Thank you to eHLbc member organizations for their work on the Core Suite renewal for the 2026-2030 term. Your thoughtful input, review of information, and participation in Question&Answer sessions have ensured continuity of access to crucial health information resources and subsidized, stable pricing for these resources over the next four years. Our shared efforts reflect a belief in the resilience that arises in partnership; it is clear that members continue to recognize the strong value of a coordinated, collaborative approach to licensing.

We look forward to our continuing collaborative work with you over the next four years!

Warm Regards,
The Core Suite Team (Sunni, Reba, Brandon, Jiaqi, and Amber)

The eHLbc Administrative Centre, hosted at Simon Fraser University in Burnaby, is situated on the unceded, traditional territories of the sə́lilw'ətaʔ (Tsleil-Waututh), kʷikwə́ləm (Kwikwetlem), Sḵwx_wú7mesh (Squamish) and xʷməθkʷəy'əm (Musqueam) Nations. eHLbc recognizes that its work and the work of member organizations take place on traditional Indigenous territories across the province. We are thankful to the First Nations, Métis and Inuit peoples who have cared for these territories since time immemorial.
